4.0	<p>Policy Framework</p>

4.1	Belfast Urban Area Plan 2001
4.2	Draft Belfast Metropolitan Area Plan 2004
4.3	<p>Draft Belfast Metropolitan Area Plan 2015</p> <p>Following the recent Court of Appeal decision on BMAP, the extant development plan is now the BUAP. However, given the stage at which the Draft BMAP had reached pre-adoption through a period of independent examination, the policies within the Draft BMAP still carry weight and are a material consideration in the determination of planning applications. The weight to be afforded is a matter of judgement for the decision maker.</p>
4.4	<p>Belfast Local Development Plan Draft Plan Strategy 2035</p> <p>The Belfast Local Development Plan Draft Plan Strategy 2035 will guide future planning application decision making to support the sustainable spatial growth of the city up to 2035. The draft Plan Strategy has been subject to examination by the Planning Appeals Commission and the Council has been provided with a copy of their Report, together with a Direction from the Department for Infrastructure in relation to additional required steps before it can be adopted. Paragraph 1.10 of the Strategic Planning Policy Statement (SPPS) states that a transitional period will operate until such times as a Council's Plan Strategy has been adopted. Accordingly, whilst the Draft Plan Strategy is now a material consideration it has limited weight until it is adopted and during this transitional period existing policies will be applied including the SPPS and relevant PPSs.</p>

	<p>Design / Impact on Character and Appearance</p> <p>The proposal is considered to be in compliance with paragraphs 4.23 - 4.30 within the SPPS which seeks to ensure good design. It is deemed that this proposal would not result in demonstrable harm to the residential amenity of neighbours. The awning will provide shelter from the weather for customers and passers-by.
