

Pavement Parking

“This Council notes that inconsiderate pavement parking affects everyone in Belfast, but disproportionately children, people with visual impairments, mobility aid users, neurodiverse people and people with prams or pushchairs; and therefore it is essential that the Council plays its full role in reinforcing the message that pavements are for people and it is never acceptable to park in a manner which forces people off a footway and into the road. This Council acknowledges the challenges in solving this issue but resolves to work towards stopping vehicles from blocking pavements through inconsiderate or dangerous parking, including by undertaking a public information campaign about the negative impacts of pavement parking in its forthcoming communications.”
