Revenue Estimates and District Rate 2024/25

(Mr. T. Wallace, Director of Finance, attended in connection with this item).

The Committee considered a report in relation to the establishment of the District Rate and the compilation of the Estimates of Revenue Expenditure for the year 2024/2025.

**Meeting of Planning Committee,
Tuesday, 23rd January, 2024**

The Director of Finance outlined that the decision should not be subject to call-in as it would cause an unreasonable delay which would be prejudicial to the Council and the public's interest in striking the district rate by the legislative deadline of 15th February, 2024.

He reported the cash limit for the Planning Committee for 2024/25 as recommended by the Strategic Policy and Resources Committee at its meeting on 19th January, 2024 and outlined the next steps in the rate setting process leading to the setting of the rate by Council at its meeting in February 2024.

Following consideration, the Committee noted the next steps in the rate setting process and:

- agreed a cash limit for the Planning Committee for 2024/25 of £2,344,219 and the individual service cash limits;
- noted the next steps in the rate setting process; and
- agreed that the decision would not be subject to call-in, given that it would cause unreasonable delay which would be prejudicial to the Council's and the public's interests in striking the rate by the legislative deadline of 15th February, 2024.
